

General Information on

Youth Baseball and Softball in Frankenmuth

The Frankenmuth Baseball and Softball Association in cooperation with Varsity Baseball Coach Gordon Culver and Varsity Softball Coach Brad Walraven is sponsoring boys baseball teams from 8u to 14u and girls softball teams from 10u to 8th grade. The teams participate in the Dixie Youth League.

The Dixie Youth League consists of teams from Bridgeport, Birch Run, Millington, Montrose and other Tri-Valley Conference Communities. The season is typically ten games (5 home and 5 away) and runs from the first week in May through mid-July depending on rain out activity.

The Dixie League is designed to provide your child with the opportunity to enjoy and learn the game of baseball and softball in an organized setting. Children with all abilities are welcome. Each community tries very hard to provide team parity within the league so games are competitive and fun at the same time.

If interested in signing up your child, please complete the necessary forms and submit to the post office box as noted. Once registration is complete, teams will be developed and coaches assigned. Your coach will then use the contact information provided to inform you about practice schedules and team meetings.

We welcome you and your family to join our program and watch your child's skills develop and grow. Thank you!
